CHAIRMAN'S MESSAGE

"From the founding of the Behzad Group in 1973, I have always strived to bring the best products and service possible to the Gulf"

"I am proud to say that I believe that the Group has achieved this bringing together some of the highest quality brands and some of the most experienced staff available in the marketplace today"

"From the opening of our first company (Elames) the group has grown to incorporate many companies specializing in various areas of building finishes and other specialist needs"

"As the group heads forward into the next 40 years throughout the Gulf I am confident that we will continue to deliver the products and service that our customers demand and that the experience and knowledge that we offer will meet the needs of the most prestigious projects"

"With the continued Guidance of the Behzad family and the introduction of modern management techniques such as ISO 9001 I am confident that the Group will continue to grow from strength to strength"

Ahmed Ebrahim Behzad
Chairman & Founder of
Behzad Group

مجموعة بهزاد
BEHZAD GROUP

The Group is proud to have been serving the Middle East market with superior building finishing materials and solutions for more than 45 years.

We understand the styling needs of the Middle East, combining customer's wishes with our staff's extensive experience and our wide portfolio of materials.

Founded in 1973 by Ahmed Ibrahim Behzad, the Group now offers full range of products and Services from specification, design support, procurement delivery and installation of a wide range of materials through out the Middle East.

We are proud of our partnership with world leading manufacturers and award winning brands, which enables us to lead the way in supplying latest industry trends at the highest standards.

The Group continues to grow from strength to strength nationally and regionally with the addition of new business units, partnerships, and the continues emphasis on recruiting professional and qualified staff.

Since 1973

DIVISIONS

ABOUT ELAMES

Elames is the core company for finishing materials in the Group supplying Bathrooms, Kitchens, Tiles, Marble, Laminate/Vinyl/ Carpet flooring solutions, Ironmongery, ceiling systems and many other products.

Established in 1973 Elames has played a major role in supplying materials to most of the prestigious construction projects over the years ranging from Private Villas all the way through to Hotels, Palaces and major Commercial developments.

The company has a strong history dealing with brands from Europe and around the world for over three decades. As well as a specialist

contract sales team dealing direct with the customers on site we also operate from one of the largest showrooms in Bahrain (Sitra) displaying our full range of products.

Our services include full design and estimation support from our in house designers a full production facility for the Marble department capable of dealing with the most demanding projects and various support and installation teams to ensure that the products supplied are of the highest possible standard. We are confident that we can supply the very best products and service and look forward to dealing with any requirements that you may have.
